## **Policy 401**

### **BOARD POLICY**

#### **COOPERATION WITH OTHER LIBRARIES**

No single library can meet all demands in its community. Libraries in different political subdivisions working together, sharing their services and resources, can more nearly meet the full needs of their users.

The Board members and the Library Director will be alert to opportunities of cooperation with other librarians to strengthen the services and resources of the library.

Effective: date 6/2002
